

From Knowledge to Action for a Protected Planet

BIOPAMA AT THE IUCN WORLD CONSERVATION CONGRESS 2021

All times indicated are Marseille local time (UTC+2).

The BIOPAMA programme will host events at the IUCN World Conservation Congress 2021 in four main formats:

- **Pavilion events** at the 'Vital Sites for a Protected Planet' Pavilion: these on-site events will be [livestreamed at this link](#), unless specified otherwise. Some events will be hosted by other pavilions: the IUCN Knowledge Hub and Capacity for Development.
- **Pavilion clinics** at the 'Vital Sites for a Protected Planet': the clinics will be held in parallel with the pavilion events.
- **Two permanent working stations** at the 'Vital Sites for a Protected Planet' Pavilion, to demonstrate the tools developed through the BIOPAMA programme.
- **Congress Forum events:** online only or hybrid, as indicated in their description.
